TwistFlush

EFFICIENTLY DESIGNED TO PERFECTLY CLEAN

AVAILABLE ACROSS MULTIPLE TOILET RANGES

TWISTFLUSH BY VILLEROY & BOCH

Discover TwistFlush.

TwistFlush uses a powerful water vortex to give your toilet an exceptional clean. It's like nothing is left behind – not even a splash – while using just 3/4.5 litres of water per flush. That means better hygiene, less cleaning, and more peace of mind. High performance. Low waste. All in one flush.

SMART SOLUTIONS

Powerful performance. Perfectly clean.

More power. Less brushing.

Villeroy & Boch's TwistFlush uses vortex power: eliminating stains and reducing the need for a brush. Effortless hygiene, maximum efficiency.

Reduced water consumption.

Delivering powerful performance with just 3/4.5L per flush, TwistFlush meets EN997 standards and saves up to 19,700 litres of water per year for a family of four.* Efficient, sustainable, and smart.

Uncompromising clean.

TwistFlush ensures an almost 100% surface clean, while CeramicPlus repels dirt and limescale. Antibac prevents 99.9% of bacteria growth for a fresher, easy to clean bathroom.

TwistFlush innovation. Timeless expertise.

TwistFlush ensures powerful, reliable flushing for a fresher bathroom with less effort. Backed by Villeroy & Boch's ceramic heritage, it blends innovation with classic design.

Multiple design options.

Thanks to seamless integration, TwistFlush can be used with Antao, Subway 3.0, Universo, Skyla, Architectura and O.Novo, offering powerful, hygienic flushing across all styles and price points.

*4 person household, compared to a standard 6 litres flush. Average use: 5 times per day/person, based on data from the Umweltbundesamt Deutschland (German Environment Agency).
